MEMORANDUM FROM THE UNITED STATES DELEGATION

CONCERNING

THE EXPORT OF POLYTETRAFLUOROETHYLENE FIBER

TO RUMANIA (AE-6)

1. The United States authorities request the views of other Member Countries on a proposal to export 10 pounds of Polytetrafluoroethylene (Teflon) fiber valued at \$237.60 to a clinic in Rumania for medical use.
2. The fiber would be sent to Ministerul Sanatatii, Directia Generala Farmaceutia, Bucharest, Rumania and would be used in cardiac surgery. This export would be part of a larger order for medical supplies the remainder of which is not embargoed. Teflon in the form proposed for export has no significant strategic use.
3. This exception request is submitted in accordance with the de minimis procedure (Cocom Document 3620, para 12(b) and para 15(b)).
